and include a braille or print note with your name, address, and phone number, email address amount of check and when you will arrive at the school. This year Bob White is going to contact all who send in their check to let you know he received your reservation and payment.

If you do not hear from Bob by June 20th call him at the following number: 718 379-4908 or email him at: robertwhite11@verizon.net And please make the check payable to: Alumni Association. If you are planning to stay the weekend please let Bob know this as the beds are stored in the basement of Phelps and Crosby house and the maintenance men have to bring the beds up and place them in the rooms. If you have a preference of what room you want to stay in let Bob know that as well. Plan to arrive at the school between 6: and 8: pm on Friday evening, and plan to depart on Sunday by 10 am. You are responsible for your Friday evening meal, either by ordering-in or eating out at one of the local restaurants.

The activities planned are as follows: after breakfast on Saturday will be hymn and song singing, followed by remarks regarding the high lights for the previous school year. After that the Institute store will be open in the dining room. In the afternoon will be the business meeting. Following the business meeting the pool will be open and the Tech center and bingo in the dining room. Following the cookout will be our wine and cheese party.

This year we are going to have an auction. So we are asking everyone who will be attending to bring a new item to be auctioned off. What you choose to bring is up to you so use your imaginations. Be sure and give a starting bid price for the item. We will do this outside where the picnic supper will occur. We may have another surprise for the weekend. So stay tuned for further information.

Hope many will attend.

Respectfully Submitted
